Fabric Wrapped Panels – Contributed to Many Smiles at Alumni Auditorium Face-lift

Mark A,

The great thing about the business we are in is when all goes well we bring smiles to many faces. I cannot count the smiles I observed at the SUNY DMC President's inauguration. I'd like to think what was accomplished in updating the Alumni Auditorium contributed to the many smiles in the audience. The space has an amazing vibe.

Thank you for your contribution to the successful outcome of our humble project. We truly could not have accomplished so much in such little time without your efforts. Words are truly inadequate to express my deepest gratitude.

My sincerest hope is we all get the chance to do more amazing work together soon.

Best regards,
Kachi
