**We Identify and S.T.O.P. Your Noise Problem**

## Echo Eliminator Panels Reduced Unwanted Noise Generated at Tavern

Installing the Echo Eliminator panels reduced the amount of sound generated at my tavern. The room has a lot of hard surfaces, wood floors, table and bar tops and a plaster ceiling. The noise was a big issue with our guests when we opened and we were told this on a nightly basis. Since the install, no one has commented on the noise.

Bill Honeycutt  
*Proprietor*

John Brewer's Tavern  
39 Main Street – Waltham, MA

**“ Since the install, no one has commented on the noise. ”**
