

The Industry's **FIRST** Reusable, Indoor/Outdoor Noise Barrier/Absorber

Echo Barrier is a temporary, reusable outdoor noise barrier. It is designed to fit on all types of temporary or permanent fencing. Echo Barrier absorbs sound while remaining quick to install, light to carry, and tough to last. Echo Barrier can enhance your company's reputation, extend site operating hours and improve working conditions.

Echo Barrier offers high-performance noise reduction for construction & demolition sites, rail maintenance & replacement, music, sports and other public events, road construction, utility/maintenance sites, loading and unloading areas, outdoor gun ranges, and many other applications.
