

BEAUTIFUL & AFFORDABLE

Soundproof Doors Studio 3D™ Soundproof Interior Doors

ASI is proud to offer the market's most affordable soundproof door. Our sound control doors have an STC value up to 56, and are ideal for recording studios, offices, band rooms, hotels, conference rooms – nearly any application where a soundproof interior door is needed or required. The Studio 3D standard door is oak, ready to stain, with silver hardware. Custom finishes and hardware options are available.
