SOUND LEVEL METER

Nady DSM-1 Digital SPL Meter *Professional Accuracy and Flexibility with a Built-In Mic.*

Omnidirectional 1/2" electret condenser mic permits easy placement and super-accurate readings with 2 level ranges covering 30dB to 130dB at 32Hz to 8kHz. 4-digit LCD with selectable permanent back light, selectable A or C weighting, and fast or slow response. Hold button captures input at any time, alarm sounds when input is above the specified range, and internal battery tester keeps it honest. Threaded insert allows attachment to optional SMT-3 tripod or standard camera tripod. Up to 50 hours battery life from a single 9V battery. Included foam windscreen, sturdy vinyl carrying case, and battery.

Rental Option:

Rent for \$100 + Shipping. Your credit card will be charged the full price of \$199.00 + Shipping. Once the unit is returned your credit card will be credited \$100.00.
